Family homes, elderly residents or even employees of large commercial buildings know the importance of efficient bathroom facilities. Daily use of brushing teeth, shaving, showering – just these simple uses increase the chances of eventually blocking a drain. Hair and general dirt or debris become wedged into the pipe, which is what causes water overflow or noticeably slow drainage. Showers and baths are often drains blocked by the build-up of hair. No matter the cause of your clogged drains, BDS, as blocked drain specialists will be able to give a FREE no obligation quote to get the issue sorted for you quickly and efficiently. Our drainage company in Essex has standby engineers 24 hours a day. At BDS, our blocked drain Essex service goes above and beyond to ensure that your pipework and drainage systems are in tip-top condition.
