Acute Homes Founder and MD Paul Prior started as a carpenter with more than 20 years' experience and a deep understanding of the quality expected by proud Oxfordshire homeowners. At Acute Homes, we understand the importance of a classy, snug home for people in Oxford / Abingdon, which is why our builders deliver high-quality building projects like, loft conversions, new builds, home extensions, etc. on time and on budget. Our team of highly-skilled and committed carpenters, bricklayers, plumbers, electricians and decorators have what it takes to provide a quality build for any loft conversion. From dormer style loft conversions to a more modern look, we can assess the most suitable style of conversion for your home and budget. Our team are fully accredited with relevant trade certificates which helps us ensure consistently high levels of work. We continually strive to provide

excellent customer satisfaction with our professional, friendly and tidy approach.
