

The logo for LED Mirror World is centered on a dark, textured rectangular background. The text "LED MIRROR" is on the top line and "WORLD" is on the bottom line, both in a bold, serif, all-caps font. The letters are a light, metallic-looking color, possibly gold or silver, with a slight gradient and shadow effect that makes them stand out against the dark background.

LED MIRROR WORLD

17 Gould Road
Herston, QLD 4006
Australia

At LED Mirror World, we specialize in bringing a touch of luxury and innovation to Australian homes through our premium range of LED bathroom mirrors. Founded with a passion for combining style with functionality, our company is dedicated to offering high-quality, eco-friendly, and energy-efficient mirror solutions. We take pride in providing not only the most elegant and modern designs but also ensuring affordability and excellent customer service.
