At Next Step Academy, we specialise in helping Year 11 and 12 students achieve their academic goals with guidance from our team of 20+ expert tutors, each with a 90+ ATAR. Covering a wide range of subjects, including Advanced and Standard English, Mathematics, Mathematics Extension I, Sciences, PDHPE, Engineering Studies, Business Studies, Legal Studies etc. Our tutors bring both excellence and passion to each session. We offer a free trial lesson and exclusive e-study notes to kickstart every student's journey. Our foolproof, results-driven approach focuses on building confidence and mastery in each subject, equipping students with the skills they need for exam success and beyond. Additionally, we offer k-12 tutoring and

NDIS mentorship
