

Core Asbestos

Unit 41, Mount Street Business Centre, Mount Street, Nechells, Birmingham, West Midlands, B7 5RD

Phone: 0121 448 1215

Core Environmental Services Ltd, also known as Core Asbestos, are trusted asbestos specialists based in Birmingham with a nationwide reach. With more than 60 years of combined experience in the industry, our fully trained and qualified team deliver safe, professional, and compliant asbestos removal, testing, and management services for domestic, commercial, and industrial clients. As a fully licensed asbestos contractor approved by the Health and Safety Executive (HSE), we work to the highest safety standards and carry full public and employer liability insurance for complete peace of mind. Our comprehensive range of services includes licensed asbestos removal, asbestos abatement and disposal, asbestos surveys and testing, and thermal insulation for high and low temperature systems. We also provide soft strip and full site clearance services for refurbishment and demolition projects, ensuring that sites are made safe, compliant, and ready for redevelopment. From small domestic projects to large-scale commercial works, we tailor every project to meet client requirements with professionalism, efficiency, and attention to detail. Core Asbestos are proud to be a trusted partner for homeowners, businesses, local authorities, and contractors throughout Birmingham, the West Midlands, and across the UK. Website:
