Bonosue are experienced Irish Terrier breeders based in Bolton, Lancashire, with over 35 years of knowledge and dedication to the breed. Specialising in house-reared, well-socialised puppies, Bonosue focus on raising healthy, confident dogs that are suited both as loyal family companions and for the show ring. Their breeding lines come from champion bloodlines, ensuring pedigree standards and strong genetic health. All puppies are fully vet-checked, microchipped, vaccinated, wormed, and come with Kennel Club registration and a five-generation pedigree certificate. Bonosue provide lifelong advice and support to new owners, covering everything from diet and training to health care and grooming. With a strong reputation for responsible, transparent breeding, Bonosue remain a trusted name in Irish Terriers across Bolton, Lancashire and the wider UK. Website: <https://bonosue.co.uk/>
