At Houston Outdoor Fireplaces, we design and build durable, beautiful fire features that elevate your patio or backyard. With 15+ years of experience, we're local, fully insured, and trained in NFPA and IRC standards. Our crews handle everything from HOA approvals to City of Houston permits. We solve uneven drafts, smoke issues, and weather wear with proper footers, flue sizing, and waterproofing. Choose gas, wood-burning, or electric - each built for Houston's heat and humidity. For searchers asking "Outdoor Fireplace Houston TX," we're the proven team for safe installs and clean finishes. Call us today for a free estimate and 3D design.
