

Solutions Regenerative Medicine

2152 E Broadway Rd.
Tempe, AZ 85282
USA

Phone: (480) 995-9131

Dr. Mareshah Dunning is the sole operator of Solutions Regenerative Medicine, an interventional naturopathic clinic within the Neil Riordan Center for Regenerative Medicine. She offers innovative, sustainable approaches to pain management by blending image-guided regenerative injections with a holistic naturopathic perspective. Her care integrates nutrition, exercise, manual therapies, supplements, and medications to address underlying factors and support the body's healing. Treatments are evidence-informed and personalized, helping athletes, active individuals, and those managing chronic or complex pain. She serves the greater

Phoenix area from her Tempe location. Website:
