

Eagle Transmission & Auto Repair

10189 Parkglenn Way
Parker, CO 80138
USA

Phone: (720) 778-1888

Eagle Transmission & Auto Repair in Parker is your trusted one-stop shop for complete automotive care, now including light- and medium-duty diesel services. We repair and maintain all makes and models — from cars and SUVs to diesel trucks like Ford Power Stroke, Ram Cummins, and GM Duramax. Our ASE-certified technicians provide expert transmission repairs, brake service, A/C and heating diagnostics, steering and suspension work, electrical repairs, and more. Using advanced diagnostic equipment and OEM-quality parts, we deliver dealership-level service backed by our commitment to quality and integrity.
