#30, 5th Cross, 23rd Main Road, JP Nagar 2nd Phase
Bengaluru, Karnataka 560078

Phone: 9606100233

3DTRIXS is a global video production and animation company delivering high-quality visual content for brands across India, the USA, the UAE, and Canada. With over 10 years of experience and 8000+ completed projects, we specialize in explainer videos, corporate films, ad films, 2D and 3D animation, e-learning videos, product modeling, and promotional videos. Our team blends creativity with technology to create engaging visual content that educates, inspires, and drives business growth. We work with companies across multiple domains, helping them improve brand visibility through powerful storytelling and production

excellence.
