

Xinguangzheng Global Engineering Co., Ltd

Sydney
Australia

Phone: +86-532-83305977

Xinguangzheng began operations in 1997 and has since accumulated 28+ years of experience, establishing itself as an innovative, multifaceted international firm focused on exports. Our work reaches over 130 nations and territories, where we handle everything from initial research and planning to manufacturing, assembly, building, and ongoing maintenance. As a tech-driven enterprise, we maintain four modern manufacturing plants totaling 150,000 square meters to ensure efficient operations.
