Quantum Wellness Center Sarasota is a modern health and wellness provider created to redefine what true healing looks like. We combine advanced wellness technology with neuroscience, energy work, and whole person care to help people restore balance in mind, body, and spirit. Founded by Loran Swensen, our centers use his proprietary, noninvasive innovations to support deeper healing and long term vitality. We design personalized wellness plans, offering innovative therapies that elevate energy, enhance resilience, and support recovery from stress and imbalance.
