Avenza Surface Design specializes in luxury Venetian polished plaster and microcement installations in Brisbane. We're specialist contractors in high-end Italian decorative finishes for walls, ceilings, and floors. Our services include:

- ✓ Venetian Plastering (Grassello, Marmorino, Travertino, Tadelakt)
- ✓ Microcement & Concrete Finishes
- ✓ Metallic & Liquid Metal Finishes
- ✓ Oxidation & Stencil Art Finishes
- ✓ Custom Business Logos

Using authentic imported Italian lime and marble plasters, we deliver ultra-durable, eco-friendly, VOC-free finishes. With 15+ years of experience and training in the UK, Italy, and USA, we've completed projects across Australia, Europe, and the UK. Transform your space with timeless luxury finishes that don't age or fade.
